

Design and manufacturing of industrial mobile robots

**Independant
technological SME**

**110 persons
(45 engineers)**

**13 M€ / Turn Over
40% exports
14 % TO in R&D**

**950 AGV in service
200 customers
30 y of experience**

European activities

Automated Guided Vehicles – AGV

oseo EXCELLENCE 2011

ISO 9001

Overall view

Vision & strategy

Skills investment
Product quality
Innovation & Research

Resources

Plant – 5 000 m²
Portofolio of **patents**
Research team (15 p)

Operations

Management
Design & simulation
Robot's Manufacturing

Technologies

Mobile robots
Mecatronism, IT
Robot Safety

Industrial and medical robotic systems
