April 27-28th 2007

THE STRUCTURE AND OPERATION OF THE HAIR BUNDLE

Paris, Collège de France
April 27-28th 2007

A discussion meeting to consider the structure, development, molecular constitution and operation of the sensory hair bundle.

SPEAKERS:

- Steve Brown (Oxford, UK)
- Marie-Francois Corlier (Gif-sur-Yvette, France)
- David Corey (Harvard, USA)
- Robert Fettiplace (Madison, USA)
- Thomas Friedrich (Bathesda, USA)
- Peter Gillespie (Oregon, USA)
- Martin Göpfert (Wohn, Germany)
- Barry Gumbiner (Virginia, USA)
- Jim Hudspeth (New York, USA)
- Frank Jülicher (Dresden, Germany)
- Bechara Kachar (Bathesda, USA)
- Corné Kroes (Sussex, UK)
- Pascal Martin (Paris, France)
- Justin Molloy (London, UK)
- Mireille Montbouquiol (Bordeaux, France)
- Uli Müller (La Jolla, USA)
- Bernd Nilius (Leuven, Belgium)
- Christine Petit (Paris, France)
- Tom Pollard (Yale, USA)
- Tony Rice (Stanford, USA)

ORGANISERS: Karen Avraham, Peter Gillespie, Jim Hudspeth, Christine Petit and Guy Richardson.

Those interested in attending should contact the organisers through the EuroHear website:

e-mail: Meeting_HairBundle@eurohear.org

HEARING AND SEEING: FIGHTING SENSORY DISABILITIES

Paris, Collège de France
July 2-3th 2007

Challenges of the research in the fields of sensorineural disabilities:

SPEAKERS:

- Jonathan Ashmore (London, UK)
- Karen Avraham (Tel Aviv, Israel)
- Shomi Bhattacharya (Paris, UCL)
- Alan Bird (London, UK)
- Anne Fargot-Largeot (Paris, France)
- Christian Kölsch (Witt, Germany)
- Christine Petit (Paris, France)
- Serge Ploaud (Paris, France)
- Botond Roska (Bisk, Sweden)
- José Sahel (Paris, France)
- H. Scholl
- Robert Shannon (Los Angeles, USA)
- Mats Ulfendahl (Stockholm, Sweden)
- Semir Zeki (London, UK)

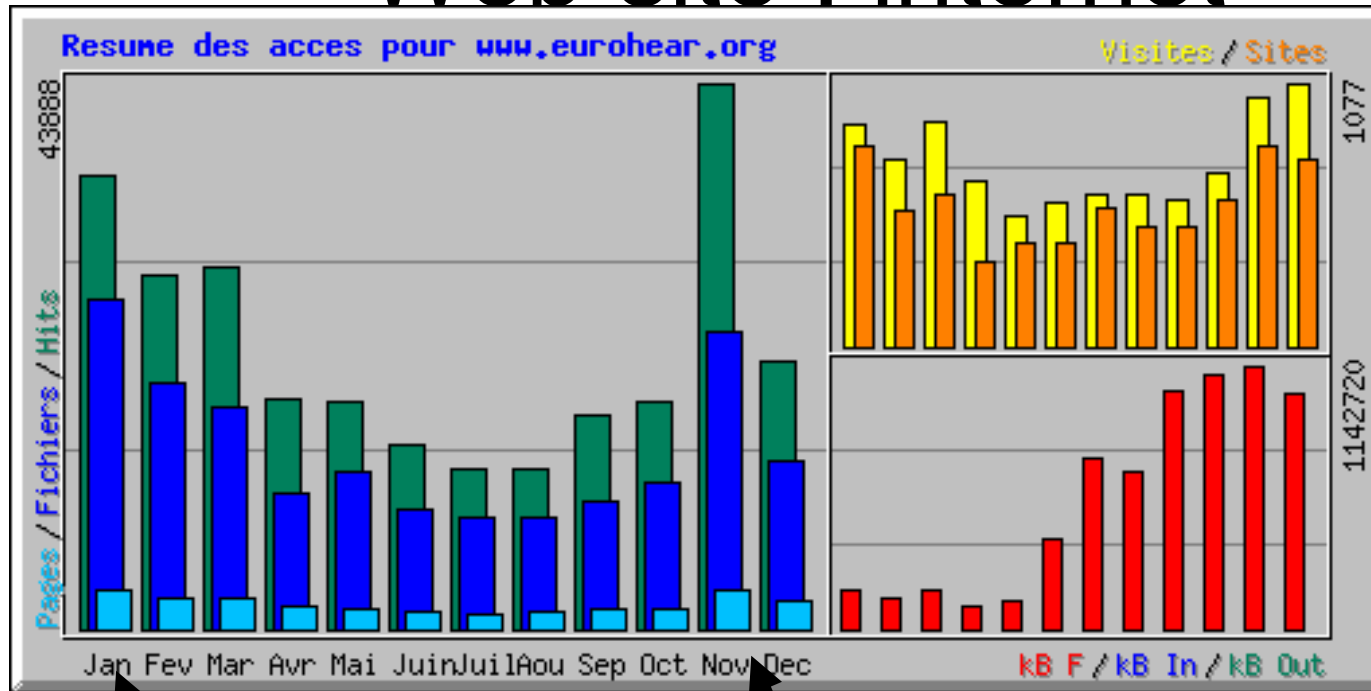

ORGANISERS: Christine Petit, José Sahel, Pierre Anhouy, Francis Galère

Those interested in attending should contact the organisers through the EuroHear website:
